

# AVONGOLD SUPERFINE.

Avongold Superfine is a fine ground high 60% protein meal, rich in xanthophylls. It is the by-product derived from Maize in the corn wet-milling process. Ideal for inclusion in animal feed diets where protein enrichment is required. Diets include broiler and layer poultry feeds, pig rations, dairy beef feeds and pet foods.

## PRODUCT INFORMATION SHEET.

Non-GM Native Starches.  
Manufactured in NZ.
